

WINNING PEACE

The end of the First World War with its history, remembrance and current challenges

International Conference in the Federal Foreign Office, Berlin

11-12 October 2018

Aim	Main Themes	Partners
<p>The conference aims to shine a light on the precarious peace after the First World War, with a view to determining the lessons it holds for us in the present, as well as a better understanding of the commemoration in the centenary. The conference is designed to examine present-day implications and pursues an interdisciplinary approach. Can we learn lessons from the year 1918 that we can apply in 2018?</p>	<p>The outcome of the peace negotiations, including a re-examination of the problems that were solved, left unsolved, or newly created.</p> <p>Regional and thematic issues that are important for understanding the peace order (or disorder) after the First World War.</p> <p>The numerous and diverse ways that different cultures commemorate the First World War and its end.</p>	      

40 Speakers	6 Panels	400 Participants
Program		Podcasts & Videos
